FR 7180 bottom-mount
450 lbs. capacity

...ours begin!

The Fulterer line of heavy-duty drawer slides employ the latest technology for today's demanding requirements in function, longevity and safety. The smoothest running qualities, progressive action movement, pull-out prevention and tested to the most stringent standards in durability (up to 300,000 dynamic cycles) and environmental conditions. From 16 inch (400mm) to 40 inches (1000mm) available lengths. Also available in stainless steel.
